NEWS ABOUT YOUR NEIGHBORHOOD

ATTENTION RESIDENTS:

Beginning Monday, September 16th the electricity to various street lights around the Village will be shut off due to upgrades. I apologize for any inconvenience this may cause. Please leave your porch light on during the evening hours if possible. The street lights will be restored as soon as possible. If you have any questions or concerns please feel free to call DPW @ 886-0020

Brett Smith, Director
