

OFFICIAL BALLOT
City General Election
Tuesday, November 5, 2019
Wayne County, Michigan

Village of Grosse Pointe Shores, A Michigan City, Precinct 1

Nonpartisan Section	Proposal Section	Local School District
<p align="center">City</p>	<p align="center">Local School District</p>	<p align="center">GROSSE POINTE PUBLIC SCHOOL SYSTEM SINKING FUND PROPOSAL</p>
<p align="center">Mayor Vote for not more than 1</p>	<p align="center">GROSSE POINTE PUBLIC SCHOOL SYSTEM OPERATING MILLAGE RESTORATION AND EXTENSION</p>	<p>This proposal would restore and extend the authority of the Grosse Pointe Public School System to levy a sinking fund millage last approved by voters in 2014 and which expired with the 2019 levy.</p>
<p align="center">Ted Kedzierski <input type="radio"/></p>	<p><input type="radio"/></p>	<p>As a restoration and extension of authorization which expired with the 2019 levy, shall the Grosse Pointe Public School System, County of Wayne, Michigan, be authorized to levy 1.00 mill (\$1.00 per \$1,000 of taxable valuation) to create a sinking fund for the purpose of the construction or repair of school buildings, the improvement and development of sites, school security improvements, the acquisition or upgrading of technology or for other purposes to the extent permitted by law, by increasing the limitation on the amount of taxes which may be imposed on taxable property in the School District for a period of five (5) years, being the years 2020 to 2024, inclusive? Of the 1.00 mill, .9687 constitutes a renewal of the expired authorization. It is estimated that 1.00 mill (\$1.00 per \$1,000 of taxable valuation) would raise approximately \$2,998,000 in the first year that it is levied.</p>
<p align="center">City Council Vote for not more than 3</p>	<p>This proposal would reauthorize the Grosse Pointe Public School System to levy up to 18.00 mills for general school district operating purposes on taxable property in the School District to the extent that such property is not exempt from such levy, protect the School District against the impact of Headlee rollbacks of up to 1.0 mill, and restrict the levy on principal residences (owner-occupied homes) to no more than 7.8763 mills. This authorization would allow the School District to continue to levy the statutory limit of 18.00 mills on non-homestead (principally industrial and commercial real property and residential rental property) which expired with the School District's 2019 tax levy. Under existing law the School District would levy on principal residence property only that portion of the mills necessary to allow the School District to receive the full revenue per pupil foundation allowance permitted by the State.</p>	<p>(Under state law, sinking fund proceeds may not be used to pay teacher or administrator salaries.)</p>
